Arrival City: Guayaquil or Quito, Ecuador

◊ DAY 2

Guayaquil / Galápagos Islands / Embark Ship

This morning, fly to the Galápagos and board the ship. After lunch, begin your exploration of the islands and their remarkable wildlife.

Meals included: breakfast, lunch, dinner

◊ DAYS 3-8

Exploring the Galápagos Islands

Listed below is a sample of islands you may visit during your expedition. All ship itineraries are subject to Galápagos National Park regulations.

North Seymour: Follow coastal trails past playful Galápagos sea lions on this wildlife-rich central

island. Continue inland through a silvery forest of endemic palo santo trees, where frigatebirds nest, blue-footed boobies dance and where you may also encounter prehistoric-looking land iguanas feeding on cactus.

Isabela: Cross the Equator at Volcán Ecuador, the northernmost of Isabela's six great shield volcanoes. Keep an eye open for whales and dolphins, sea turtles and the elusive ocean sunfish. Over two days, land in the footsteps of Darwin and Melville, and look for wildlife along the wildly eroded volcanic shore.

Fernandina: One of the most active oceanic volcanoes in the world, Fernandina is the youngest and most pristine island in Galápagos—and home to the strange flightless cormorant, Galápagos penguins and the largest marine iguanas. Hikes ashore lead across impressive recent lava flows.

Españaola: See swallow-tailed gulls, Españaola mockingbirds, Nazca boobies and, seasonally, the world's only population of waved albatross at this birdy paradise, also home to vividly colored marine iguanas. Watch sea lions on the white sand beach and snorkel offshore at Gardner Bay.

Floreana: Follow a trail past a pink-tinted lagoon frequented by flamingos. Snorkel among sea lions and abundant fish, or cruise along Champion Islet by Zodiac. Visit the famous barrel at Post Office Bay.

Santa Cruz: Visit Puerto Ayora, the largest town and headquarters of both the Galápagos National Park and Charles Darwin Research Station. See the monument to Lonesome George and tour the giant tortoise breeding corrals. See the giant tortoises roaming in the wild in the lush, green highlands.

Bartolomé: Climb the steps to the summit of this 300-foot volcanic wonderland for stunning views.

Explore, swim and snorkel from the beach. You might even see Galápagos penguins, one of world's rarest.

Santiago: Explore tide pools and look for fur seals sheltered in quiet grottos of black basalt. Swim, snorkel, kayak and paddleboard along Santiago's spectacular coast, and explore an enchanting coastal forest where Charles Darwin once walked.

Genovesa: Sail across the Equator to the remote northern realm of the Galápagos, surrounded by warmer tropical waters.

San Cristobal: Search for red-footed boobies and the endemic mockingbird and lava lizard—found only on this easternmost island. Dig your toes into the powdery white sand at a gorgeous beach fronted by iconic Kicker Rock. Explore Baquerizo Moreno, where sea lions thrive in the middle of town.

Meals included: breakfast, lunch, dinner

◊ DAY 9

Galápagos Islands / Disembark Ship / Guayaquil / Lima, Peru

Depart Galápagos this morning and fly to Lima, Peru, via Guayaquil. Check into the Belmond Miraflores Park, set on a wide promenade overlooking the Pacific, where you'll spend two nights.

Meals included: breakfast, lunch

◊ DAY 10

Lima

After breakfast, explore World Heritage-designated colonial Lima. Visit the extraordinary Larco Museum, dedicated to pre-Columbian art. Then stroll the Plaza Mayor and delight in a private welcome lunch with a special musical presentation at Casa Aliaga, one of the oldest houses in Lima. Tonight, dinner is on your own to sample Lima's amazing award-winning fare.

Meals included: breakfast, lunch

◊ DAY 11

Lima / Cusco / Sacred Valley

Board a short scenic flight to Cusco this morning and continue to Moray—a visually stunning Inca site with dramatic agricultural terraces in the heart of the fabled and fertile Urubamba Valley. After lunch and an opportunity to experience a local market, check into your hotel. Sol y Luna, a Relais & Châteaux property, is where you'll stay in individual casitas set in verdant greens.

Meals included: breakfast, lunch, dinner

◊ DAY 12

Sacred Valley

Spend the day exploring the archaeological sites and culture of the Sacred Valley in the company of National Geographic expert Peter Frost (or a colleague), who has lived and worked in Peru for decades. He or a colleague joins you for a talk at your hotel and a visit to the massive Inca stone fortress of Ollantaytambo, set above a thriving Inca community. Lunch is at a working, family-owned hacienda, where you'll be treated to a show of Peruvian Paso horses, and National Geographic grantee Nilda Callañaupa, founder of *El Centro de Textiles Tradicionales de Cusco*, demonstrates Inca weaving traditions. Don't forget to pack your duffel bag (which we provide) for your 2-day trip to Machu Picchu.

Meals included: breakfast, lunch, dinner

◊ DAY 13

Sacred Valley / Machu Picchu

Marvel at the dramatic scenery and life along the river en route this morning by train to Machu Picchu, the Inca royal retreat famously introduced to the world by Hiram Bingham in the April 1913 issue of *National Geographic* magazine. Check into the

Sumaq Machu Picchu Hotel, a luxury riverside retreat that blends Andean culture with upscale comfort. Over the next two days you will explore Machu Picchu in the company of your handpicked tour director and local guides. Enjoy lunch in town and dinner at hotel.

Meals included: breakfast, lunch, dinner

◊ DAY 14

Machu Picchu / Cusco

Awaken this morning and return to Machu Picchu, where your local and veteran guides share their intimate understanding of this site, focusing on the history and far-reaching cultural influence. After lunch, return by train and bus to Cusco—the center of the Inca universe, a burgeoning cultural capital and a UNESCO World Heritage site. Check into the Belmond Hotel Monasterio on Plaza Nazarenas in the heart of Cusco for two nights. Occupying a monastery founded in 1592, the hotel—like much of colonial Cusco—is built atop Inca stones.

Meals included: breakfast, lunch, dinner

◊ DAY 15

Cusco

Explore the magnificently ornate 17th-century cathedral, sacred Inca Temple of the Sun and other treasures of Cusco. Visit nearby Sacsayhuamán, where a series of imposing terrace walls, the most impressive yet, command views over the city. Relax, shop or visit one of Cusco's many churches and museums this afternoon. Dinner is on your own tonight.

Meals included: breakfast, lunch

■ DAY 16

Cusco / Lima

After breakfast and a final morning at leisure, say goodbye to the Land of the Inca and fly from

Cusco back to Lima, connecting to flights home. Depending on your flight schedule, optional rooms at the Wyndham Grand Costa del Sol Lima Airport Hotel are available, or join the [Upper Amazon Expedition aboard *Delfin II*](#).

Our latest and most family-friendly ship, the *National Geographic Endeavour II* is exceptionally nimble and maneuverable.

Born in the cold waters of Patagonia, *National Geographic Endeavour II* was built for heavy seas. Now, permanently stationed in Galápagos, she comfortably sails the Equator.

A floor-to-ceiling rebuild when she repositioned to the tropics meant she could be crafted to perfectly accommodate the Lindblad style of travel. Where she previously carried 136 passengers, she now accommodates just 96 guests in 52 thoughtfully appointed cabins. She is exceptionally nimble and maneuverable,

with a shallow draft to get up close, great viewing from all public spaces, an expansive open-air observation deck, large windows in cabins and suites, and state-of-the-art tools for exploration including a glass-bottom boat, underwater cameras, video microscope, plus kayaks and stand-up paddleboards.

She replaced the beloved *National Geographic Endeavour*, which donated much of her artwork and her great spirit of camaraderie. Guests have described being aboard *National Geographic Endeavour II* as feeling like a cross between a grand floating hotel and scientific research vessel. She is beyond comfortable, and welcoming to solos, groups, and kids of all ages, and equipped for the up-close and personal explorations that makes Galápagos the trip of a lifetime.

Welcome aboard. From your first sight of the art to the left of the reception desk (part of the pioneering polar art exhibit, *Change*, installed onboard) to the sleek lines and calming neutrals, you can feel the rigors of travel drop away. Ahead: only supreme comfort and the exhilaration of discovery.
