Day by day

■ DAY 1

Guayaquil or Quito, Ecuador

Arrive in Ecuador, either in Quito, Ecuador's capital city in the Andes, or in the coastal city of Guayaquil, and take an included transfer to your hotel for an overnight stay. Both cities are well-served by international carriers, and Galápagos flights start and end in Quito with a stop in Guayaquil. Guests in Guayaquil stay at the Hotel del Parque, a 44-room Relais & Châteaux hotel set along the river in lush tropical gardens. In Quito guests have the choice of several hotels, including a convenient airport hotel.

Note that Quito sits at a 9,350 ft elevation. It is an alternative option to Guayaquil, at no additional cost, and recommended if you opt to reserve **additional hotel nights** and pre-voyage tours of the city.

Arrival Time: Anytime.

Arrival City: Quito or Guayaquil, Ecuador

◊ DAY 2

Quito or Guayaquil / Galápagos Islands / Embark Ship

Fly to Baltra in the center of Galápagos, a little world unto itself in the Tropical Pacific, where you'll be welcomed by your naturalist staff as you begin exploring the islands.

Meals included: breakfast, lunch, dinner

◊ DAYS 3-6

Galápagos Islands

Listed below is a sample of islands you may visit during your expedition. Expeditions begin and end at Baltra and include visits to Isla Santa Cruz and a careful selection of diverse islands. No two days are alike. Each itinerary offers an optimal balance

of wildlife, landscapes and experiences. All ship itineraries are subject to Galápagos National Park regulations.

North Seymour: Look for nesting frigatebirds, plus land and marine iguanas, and enjoy a beautiful coastal walk.

Santa Cruz: Head to the lush, green highlands to look for giant tortoises roaming in the wild.

Isabela: Toast crossing the Equator at Volcán Ecuador, northernmost of Isabela's six great shield volcanoes. Keep an eye open for whales and dolphins as you explore these nutrient-rich waters, once the haunt of whalers and pirates.

Fernandina: One of the most active oceanic volcanoes in the world, Fernandina is the youngest and most pristine island in Galápagos—and home to the strange flightless cormorant and the largest marine iguanas.

San Cristóbal: Search for red-footed boobies and the endemic mockingbird and lava lizard—found only on this easternmost island.

Españaola: Located in the extreme southeast of the archipelago, this island is home to swallow-tailed gulls, Españaola mockingbirds, Nazca boobies and, seasonally, the world's only population of waved albatrosses at Punta Suárez.

Floreana: Follow a trail past a pink-tinted lagoon frequented by flamingos. Snorkel among sea lions and abundant fish, or cruise along Champion Islet by Zodiac. Visit the famous wooden barrel at Post Office Bay and learn about its unusual postal system.

Meals included: lunch, breakfast, dinner

◊ DAY 7

Galápagos Islands / Disembark Ship / Guayaquil or Quito

Disembark this morning for a return flight to the mainland, where you'll transfer to Hotel del Parque in Guayaquil. In Quito there are [several hotel options](#). The afternoon and evening are at your leisure. You may be able to take advantage of overnight flights home. Ask your expedition specialist about joining a culturally rich post-voyage extension to [Quito and Otavalo](#), a celebrated market town.

Meals included: breakfast

■ DAY 8

Guayaquil or Quito

After breakfast, transfer to the airport and board flights home, unless you have arranged for additional nights or an extension.

Departure Time: Anytime on day 8, or after 7:00 p.m. local time on day 7.

A fully equipped Galápagos expedition ship for 48 guests

The newly christened *National Geographic Gemini* joins the Lindblad Expeditions-National Geographic Galápagos fleet with a history and heritage of small-ship expedition cruising. Launched in 2001 from the same shipyard as *National Geographic Orion*, *National Geographic Gemini* is a highly maneuverable, shallow-draft expedition ship purpose built to explore remote areas with ease.

Sailing year round with a maximum of 48 guests on weeklong voyages departing Fridays, *National Geographic Gemini* offers guests the choice of larger suites, cabins with balconies, and a mix of doubles, solos and triples.

All cabins are ocean facing and with ample storage, beds that can be configured as a queen or two twins, a sofa, desk, television and a well-stocked mini fridge. Bathrooms are large and feature glass showers. Suite 601 on the Upper Deck (Category 7) is the largest in the Lindblad Expeditions-National Geographic Galápagos fleet with a separate living room, forward-facing balcony and floor-to-ceiling windows. Cabins on the Bridge Deck (Category 4 & 5S) all have private balconies with seating.

Enjoy the outdoors on the Upper Deck and Bridge Deck, which features a whirlpool hot tub, and windowed fitness center and spa. An outdoor café on the Lounge Deck accommodates all guests in a single open seating, as does the restaurant on the Marina Deck. The open, windowed lounge for presentations and informal gatherings has a large bar and well-stocked library and adjacent reception area.

Carrying a fleet of quick-to-deploy Mark VI Zodiacs, kayaks and stand-up paddleboards, the ship is well-equipped for exploring the islands and marine reserve. It is also stocked with snorkeling gear for all guests, including shortie wetsuits.

National Geographic Gemini provides an authentic sense of place informed by our decades-long relationships with local communities and conservation groups. Contributing to the fully immersive Ecuadorian experience on board is the passionate and knowledgeable Ecuadorian crew. Meals are designed to support the community—comprising locally sourced farm-to-table and ocean-to-table ingredients.

A New Ship with Just 26 Spacious Staterooms and Suites Sailing the Galápagos Islands

Lindblad Expeditions is thrilled to welcome the National Geographic Islander II to our fleet. Sleek and elegant, she will sail year-round in the Galápagos Islands and elevate the guest experience to an entirely new level.

National Geographic Islander II is a gracious expedition vessel that feels like a private yacht. With only 26 staterooms and suites, and accommodating just 48 guests, she sails with a 1:1 guest-to-crew ratio.

Special features include teak decks, indoor-outdoor dining options, an impressive observation deck, and new amenities like a climate-controlled Marina and a dedicated Science Hub.

National Geographic Islander II provides an authentic sense of place, drawing on our decades of partnering with local communities and conservation groups. Contributing to the fully immersive Ecuadorian experience on board are Ecuadorian staff and locally sourced and sustainable farm-to-table and ocean-to-table culinary ingredients, as well as artisan spa elements and handcrafted textiles, art, and décor all regionally created.

An authentic, immersive experience in the Galàpagos

The *National Geographic Islander II* celebrates Lindblad's deep connection to the islands, Ecuador, and its people with a deeply immersive and truly unique Ecuadorian cultural experience. The carefully considered food and beverage program highlights the four regions of Ecuador with locally sourced farm-to-table ingredients. Regional ingredients can even be found in spa products. From Ecuadorian shipboard staff to artwork, textiles, and décor created by local artists and artisans and Ecuadorean music heard throughout the ship, guests will experience the beauty and wonder of Ecuador both on and off the ship.

Indoor-Outdoor Dining

Enjoy meals in the expanded al fresco Patio Café, sophisticated Yacht Club Restaurant on the Promenade Deck, or Grill on the Observation Deck, where there's also a bar and ample seating to host events. Here, guests gather for wine tastings, chocolate tastings, and Bubble-Qs—BBQs made extra celebratory with Champagne. The convenient 24-hour beverage and snack stations in the Bar and Library are other welcome amenities.

Science Hub

Outfitted with scientific equipment, the exciting new Science Hub continues the Lindblad Expeditions-National Geographic legacy of supporting conservation and research. Equipped for underway oceanography, interactive video presentations, and an enhanced photo experience, the Science Hub is also a place for young guests in the [National Geographic Global Explorers Program](#) to experience hands-on learning.

Public Spaces

The ship's public spaces enhance the connection to the islands. Guests will find an open Bridge, surrounding teak decks, and a forward-viewing area. Two dining areas accommodate all guests in a single seating. The Cove, which has a bar, is the setting for daily Recaps. Other ship features include a Reception area with glass doors that lead to an open teak Viewing Deck, a Plunge Pool, a Chart Room, the Global Gallery, Library, Marina, Swim Platform, and Zodiac boarding area.

Expedition Tools

National Geographic Islander II carries a fleet of kayaks and stand-up paddleboards, a glass-bottom boat, an expanded flotilla of versatile Zodiacs, complete snorkel gear for adults and children, video microscope, and Science Hub.

The newly refitted teak-appointed marina is spacious and climate-controlled, designed for guests to comfortably get in and out of expedition gear.

Expanded Expedition Staff

The Expedition Team, led by a veteran Expedition Leader, includes a five Naturalists, Undersea Specialist, Certified Photo Instructor, and Certified Field Educators who run our exclusive [National Geographic Global Explorers Program](#) for kids and teens.
